Mr. A. Borst, Chairman

Dear friends:—

allow me to repeat what I tried to express on the day of the Park Dedication to Mr. Schwerman's memory. It was a fine and unselfish gesture on your part which I appreciate very deeply.

You made sacrifices of time and money to repay kindnesses or favors done you, this is an indication of a truly great spirit among you, may it always continue!

Many thanks also, to the board for the fine orchid corsage given me, I felt proud to wear it!

In gratitude,

Sincerely yours,

Pauline Schwerman
